

TAKE-A-LABEL

STAINLESS STEEL Label Dispensers

TAL-250SS, TAL-450SS & TAL-750SS

Providing Economical Solutions in Label Dispensing Systems

The TAKE-A-LABEL Model TAL-250SS, TAL-450SS, and TAL-750SS are designed for a harsh or in a controlled environment. Where high humidity and moisture can destroy a steel unit, or where harsh chemicals are needed to clean. The exterior of these machines are made completely out of stainless steel, aluminum and plastic and designed for the medical field, dairy, and food industries. These machines provide the power and performance necessary for the most demanding applications.

The open peel plate design allows the user to run multiple labels on a common web to increase speed, while reducing label cost. While also creating a vertical dispense and barrier free area to quickly remove labels.

Standard Features:

- Full Scrap Rewind with Quick Start / Removal Feature
- Label Roll Diameter up to 12"
- Stainless Steel Construction
- Heavy Duty Motor with Built In Overload Protection
- Dispenses Die-cut or Butt-cut Labels
- Dispenses Multiple Labels on a Common Web
- Photo Eye Label Sensor
